Steering the dialogue of quality: Challenges of procuring collections in a changing landscape

**QUESTIONS**: How do you work with your scholarly information resources? How do you handle not only the price increase but also the increasing publishing costs?

**JUNE 2019**
- **DIALOGUE OF QUALITY**: Identified crucial problems:
  - Changing landscape & price increase for scholarly information resources
  - Boards, drafting committees
  - Personnel meetings

**OCTOBER 2019**
- **PLAN OF ACTION 2020**:部 at department information resources and scholarly publishing
  - Structure of the collections
  - Evaluation of e-resources

**JANUARY 2020**
- **DIALOGUE OF OPERATIONS**: Identified that we need to find alternative way for coverage of the media budget.
  - In Sweden the prices have changed largely due to transformative deals on top of the annual price increases.

**MAY 2020**
- **Report on**: Structure of the collections

**MARCH/APRIL 2020**
