

Erratablad till avhandling:

Mikaelsson Midlöv, Elina (2026) Standing next to but not being part of Support for relatives in general palliative care at home  
Fakulteten för hälsa och samhälle (HS), Institutionen för vårdvetenskap

ISBN 978-91-7877-697-9 (tryckt)

ISBN 978-91-7877-698-6 (pdf)

**Sid 58,**

'Moreover, as some patients whose relatives in Study IV could not remain at home, this may indicate that a sufficiently shared responsibility was not established early enough.'

det ska stå:

'Moreover, as some patients whose relatives **participated** in Study IV could not remain at home, this may indicate that a sufficiently shared responsibility was not established early enough.'

**Sid 78 – 79,**

det ska stå '**palliativ**' istället för 'pallaitiv'
